Solution (10-15 mins)

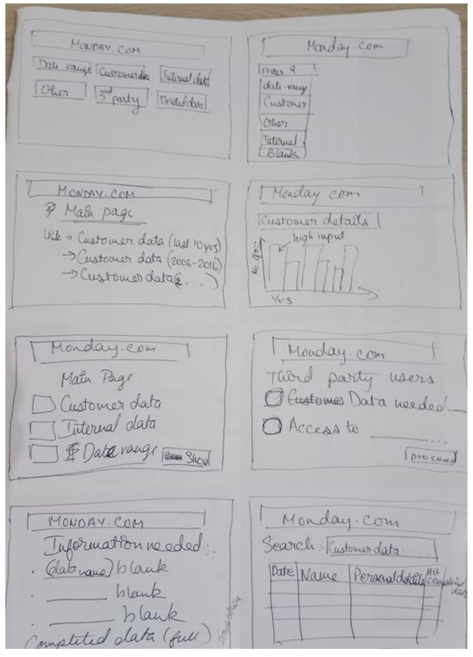
1. Take the How Might We statements and **draw eight ideas** (one per minute).
2. take a paper, divide into 8 sections, spend 1 minute on each solution, write down idea, or draw anything. Ideas could be anything doesn't have to be practical
3. When the timer reaches **zero**, stop drawing.

RAMA

How might we... help the team to find the correct information on time

for.. the internal team

so that... they can make faster decisions and keep on working.



RAFID

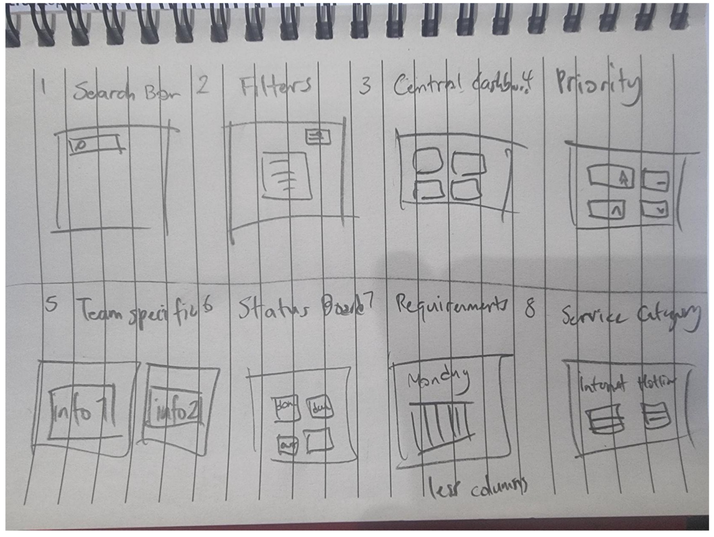
How might we... show the type of the work

for.. the GP team

so that... similar task can be grouped and assigned in one person.

Robert

How might we... organise information across boards

for.. internal teams


so that... they can quickly find the requirements they need
